Dear Clear Lake resident:

We appreciate your cooperation as we have transitioned to providing your community with solid waste services. As we mentioned in previous correspondence, we will be consolidating the Greater Clear Lake area into one garbage/yard trimmings service day. This will help us provide better service and save tax dollars.

Beginning July 14, 2008, your garbage and yard trimmings day will be Thursday.

COMMUNITY	AUTOMATED GARBAGE DAY (weekly on...)	YARD TRIMMINGS DAY (weekly on...)	HEAVY TRASH DAY (HT) will be each month on....
CAMINO SOUTH	THURSDAY	THURSDAY	2 ND THURSDAY
MEADOW GREEN	THURSDAY	THURSDAY	2 ND FRIDAY
OAK BROOK	THURSDAY	THURSDAY	2 ND MONDAY
OAK BROOK WEST	THURSDAY	THURSDAY	2 ND TUESDAY

For more information, please log on to our website at www.houstonsolidwaste.org or call 3-1-1, the City's Customer Service Hotline.

Thank you for your continued support.

Sincerely,

Harry J. Hayes, Director
Solid Waste Management Department

P.S. Please note that your heavy trash collection day will remain the same.
